

## **Strawberry Jello**

**Submitted by Fred Franke**

1 – Large package of Strawberry Jello mix

1 – Can crushed pineapple (drained)

4 – Bananas (mashed)

1 to 2 cups frozen strawberries (chopped in food processor)

1 – Pint of sour cream.

In a small a sauce pan, dissolve Jello in 1 cup boiling water.

Pour into large bowl, mix in pineapple, bananas & strawberries.

Place half of mixture in a 9 x 13 dish, refrigerate to set bottom layer.

Keep balance of Jello mix at room temp to stay soft.

Refrigerated mix should harden quickly with frozen strawberries.

Add layer of sour cream on top of hardened Jello.

Top layer with remainder of Jello mix.
