According to Rabbinical tradition 9
sacrificed from Moses until the
destruction in 70 AD: 1515 yrs less
Babylon (70yrs)-1445 yrs

The rabbi Maimonides (1135-1204)
taught the 10th Red Heifer would be
sacrificed by the Messiah.

So now let me connect the dots:

Since Israel became a nation in 1948
the goal has been to rebuild the
Temple!

Problem is the ground has been
desecrated by Gentiles and there is no
way to purify it without the
Purification ashes of Red Heifer!

So, in September 2022 5 Red Heifers
were shipped from TX to Israel.

2 were HOLY COW!
disqualified
because they
cannot have more
than 2 black or
white hairs!

Peter says this
about Last Days:
2 Peter 3:11-12

Since everything will be destroyed in this way, what kind of people ought you to be? You ought to live holy and godly lives as you look forward to the day of God and speed its coming.

Jesus said it this way in
Matthew 24:
v42-Be Watching
v44-Be Ready
v46-Be Serving
